

"Because Hunger doesn't take a break on the weekends"

Dear National Italian Golf Tournament for Charities,

On behalf of Feed Our Future, I would like to thank you for your donation of \$1,000.00 to our program.

By supporting Feed Our Future, you are helping food insecure grade school students in the Chicago Suburbs stay nourished over the weekends. We are excited to be continuing the program for the second year, and your contribution is essential to keep us running at full capacity. With your assistance, we have now committed to helping 35 students and families in districts 102 and 105.

Because of your donation, we will be able to provide 170 more weekend food packs (510 meals) to the children this year. In addition, your donation will help us assemble special "Holiday Packs" that we will distribute before winter break, which will contain more robust food items and a few treats for the students.

Again, thank you for your generosity, and thank you for Feeding Our Future.

Sincerely,
