Dear Mr. Alioto,

Thank you very much for the check in the amount of \$10,000.00 from the National Italian Invitational Golf Tournament for Charities. As requested this NII Scholarship will be applied to the tuition account of Anthony Catalano.

It is our mission that each year our students grow intellectually, spiritually, physically and socially. It is the well-rounded education that is one of the hallmarks of our Lasallian educational tradition. Every student that has graduated from Montini Catholic High School has benefited from the time, talent and treasures of someone else.

Sincerely,

James F. Segredo  
President
