Dear Joe,

On behalf of St. Jude Children's Research Hospital, I want to extend our deepest appreciation for your recent generous gift from the National Italian Invitational Golf Tournament for Charities and the National Italian Charitable Trust. We are so honored to once again be chosen as your signature charity. Your wonderful gift from the golf tournament and banquet is truly touching the lives of children battling cancer and other life-threatening diseases at St. Jude.

Your great work on our behalf also inspires others to join our cause, and your generosity helps us ensure that families never receive a bill from St. Jude for treatment, travel, housing and food—because we believe that all a family should worry about is helping their child live. With your support, St. Jude will continue to seek the cures that will save children's lives, and we won't stop until no child dies of cancer.

Your dedication gives us the confidence to pursue bold new plans to ensure the hospital's progress continues until we reach the day our beloved founder, Danny Thomas, dreamed of when no child dies in the dawn of life of these terrible diseases. I wish you and your family happy holidays and all the best in the New Year.

With deepest appreciation,

Richard C. Shadyac Jr.
