Dear Joseph,

Thank you for your very generous designation of \$946 to Kyle's Korner on behalf of the Mass collection at the recent National Italian Invitational Golf Tournament. As you know, we are a small non-profit and these unexpected contributions are a wonderful blessing in the day-to-day operations of the organization. We appreciate your commitment to helping grieving children, teens and their families. We also acknowledge your past leadership in this organization and recognize your dedication.

When children suffer the death of a parent, sibling or other loved one, they often find it hard to talk to the surviving parent or relatives because they are grieving too. Children do not want to risk causing additional upset. Kyle's Korner helps families build friendships amid the sadness and loss. Hope is renewed and grieving families learn lifetime coping strategies so they can rebuild their lives.

Through the generous support of people like you, Kyle's Korner was proud to offer its first Camp Day in late June and 14 children registered to receive services. In early June, seven individuals participated in a facilitator-training program making it possible to provide the support to offer another group night. Contributions from people like you help to make this programming available to others. We are so grateful! Thank you for your belief in our mission.

With gratitude,

*Paula*
