Dear Mr. Alioto:

Thank you for your contribution of \$2,500.00 to the St. Louis Area Foodbank.

During this season of giving, the Foodbank helps make the holidays brighter by providing nutritious food to thousands of children, adults, and seniors each week. In fact, last month we provided 212,000 pounds of dairy products, 617,000 pounds of fresh fruit and vegetables, and 319,000 pounds of meat and other high-protein items.

We are joyful that you have chosen to support us and our hunger-relief mission. Your donation will make a terrific impact this holiday season. On behalf of everyone at the Foodbank, we would like to share our gratitude with you for bringing joy to many homes.

Happy Holidays,

Frank Finnegan  
President and CEO
